Greetings and welcome to HCA's Sunrise Health GME Consortium/Southern Hills Hospital Family Medicine Residency Program. We are delighted that you are exploring opportunities to train with us as HCA continues to expand its residencies and fellowships, in support of our mission – "Above all else, we are committed to the care and improvement of human life."

We offer innovative approaches to residency training in an extraordinary, collaborative environment to provide you with the tools, skills and experiences to be an outstanding family physician, patient advocate and leader – in our hospital, our community, and beyond. Looking forward to hearing from you.

Sincerely,

**Angelina Rodriguez, MD**

Program Director

## Our Faculty

**Angelina Rodriguez, MD** Program Director  
Designated Institutional Officer

Dr. Rodriguez began her journey into academics upon graduating from residency in 2011, where she then transitioned to faculty, then to Associate Program Director. Dr. Rodriguez joined Southern Hills Hospital Family Medicine Residency Program as the Program Director as Designated Institutional Officer in January 2021.

**Darren Rahaman, MD** Associate Program Director

Dr. Rahaman has been the Associate Program Director and Preceptor at Nevada Health Centers for Southern Hills Hospital Family Medicine Residency Program, since it began in 2017. Dr. Rahaman graduated from Keck School of Medicine of University of Southern California, then went on to complete his residency at the University of Nevada Family Medicine Residency.

**Ashwitha Francis, MD** Assistant Program Director

Dr. Francis completed her medical degree at Ross University School of Medicine in 2017 and graduated from Southern Hills Hospital Family Medicine Residency Program in 2021. She was Chief Resident and transitioned to a Medical Director and Preceptor role with Nevada Health Centers, where she continues to demonstrate her leadership skills.

**Ertha Nanton, MD** Faculty, Nevada Health Centers

Dr. Nanton obtained her medical degree from the University of the West Indies, St. Augustine, then went on to complete her residency training at the State University of New York (SUNY) at Brooklyn and continued on to do a mini-fellowship in Faculty Development at SUNY. She has been a valuable preceptor at Nevada Health Centers for the Southern Hills Hospital Family Medicine Residency Program since it began in 2017.

### **Jeremy Sporrong, DO**

Dr. Sporrong obtained his medical degree from Pacific Northwest University of Health Sciences and completed his Family Medicine Residency at Loma Linda University. Following residency he completed a Primary Care Psychiatry Fellowship at UC Davis. Dr. Sporrong works very closely with all Family Medicine Residents, as a Faculty Preceptor as Nevada Health Centers.

### **Joanne Leovy, MD**

Dr. Leovy obtained her medical degree from the University of Washington, followed by her Family Medicine Residency at the University of Wisconsin, where she went on to complete a fellowship in Diploma in Tropical Medicine at London School of Tropical Medicine and Hygiene. Dr. Leovy works very closely with all Family Medicine Residents, as a Faculty Preceptor as Nevada Health Centers, including rotations such geriatrics and gynecology.

### **Sanford White, MD, MPH** Family Medicine Faculty

Dr. White joined the Southern Hills Hospital Family Medicine Residency Program Faculty in 2017. He obtained his medical degree from University of Kansas School of Medicine, followed by his Family Medicine Residency Training at Utah Valley Hospital. Dr. White offers residents a unique rotation experience through his private practice office, located closely to Southern Hills Hospital.

### **Shahid N. Ahmad, MD** Director of Resident Development

Dr. Ahmad grew up in nearby Arizona. He obtained his medical degree in 2009 and completed his residency training at Florida State University Internal Medicine Residency Program. Followed by fellowships in Neuro Critical Care, Critical Care and Neuro Trauma shortly after at the University of Michigan. Dr. Ahmad joined Southern Hills Hospital Graduate Medical Education in 2020, where he excels in teaching/training residents in the ICU setting and guiding residents through their programs along the way.

# About HCA Healthcare GME

HCA Healthcare is a comprehensive healthcare network with over 275,000 colleagues across more than 2,000 care facilities all committed to creating a positive impact every day. We continually invest in our colleagues and facilities to better serve our patients and local communities. The Graduate Medical Education (GME) programs seek to inspire tomorrow's physicians to care for and improve human life by focusing on patient-centered approaches to practicing the latest evidence-based medicine.

**To learn more about the benefits and expectations of training with an HCA Healthcare program, view our [Resident and Fellow Manual](#).**

Our residency and fellowship programs are in **59**  
hospitals located in **16** states

- ⊛ Residency or Fellowship Program
- HCA Healthcare Hospital

## Size

HCA Healthcare Graduate Medical Education is the largest sponsor of residency and fellowship programs across the nation.

**4,637**  
residents

**289**  
fellows

**218**  
specialty programs (residencies)

**79**  
sub-specialty programs  
(fellowships)

## Scholarly Activity

HCA Healthcare Graduate Medical Education provides a critical link between vigorous scholarly activity and real-world patient care from a sophisticated data repository of more than 32 million patient encounters each year.

**2,500+** HCA Healthcare GME scholarly activities in 2020-21.

## Clinical Training

Each year approximately five percent of all U.S. hospital services happen at an HCA Healthcare facility, including:

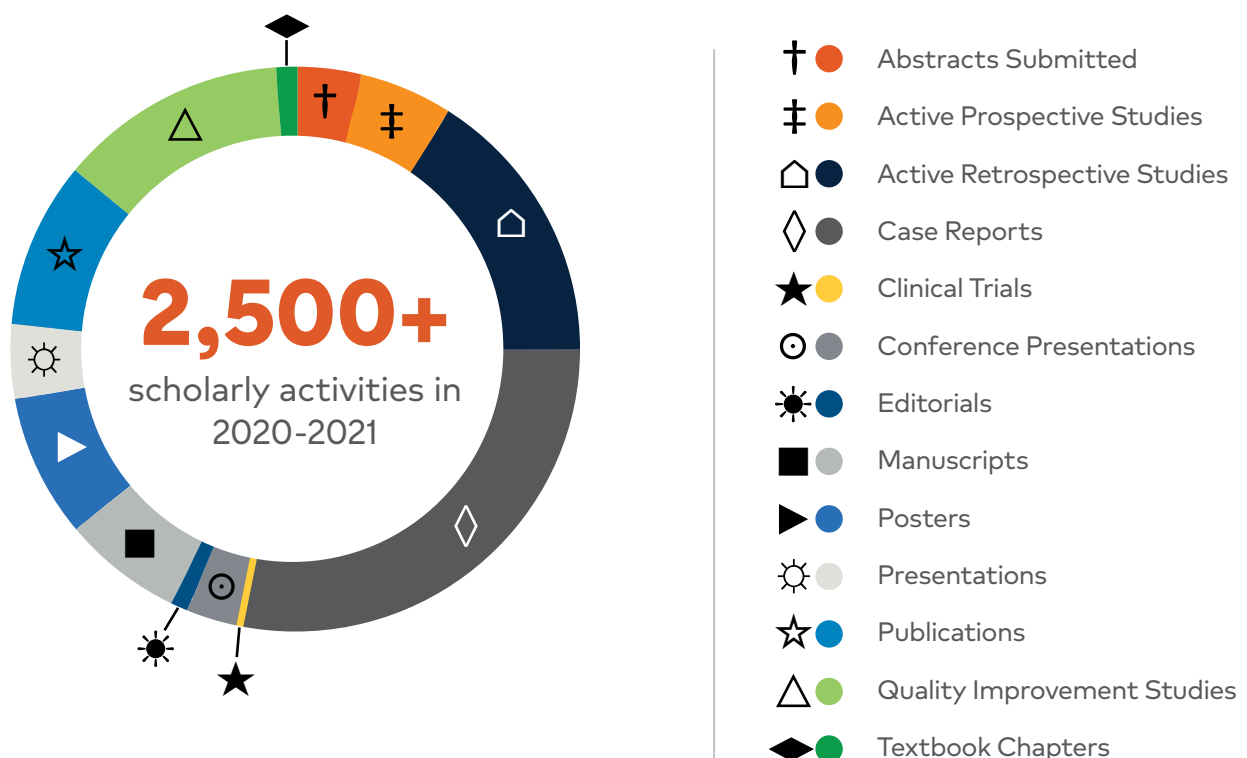

**32+ million** patient encounters  
**7.4 million** emergency room visits  
**215,000+** babies delivered

HCA Healthcare Graduate Medical Education is a leader in clinical experience.

- Nationally known physician expertise across the country
- Investments in facilities allowing the advancement of patient care
- High emphasis on simulation results and low patient incidents
- Higher patient touch than academic facilities
- Annual collaborative mass casualty event team training

# A commitment to scholarly activity

Based on more than 32 million patient encounters each year, our scholarly activity bridges the gap between compelling evidence and exceptional patient care.

Our experiential learning is rooted in evidence-based medicine that leads to innovative, **real-world patient health solutions**.

Merging the rigor of **ACGME** accreditation with high patient touch, our residents and fellows deliver evidence-based care that demonstrates our mission to care for and improve human life.

We offer **National Grand Rounds** that leverage accomplished clinical expertise from across HCA Healthcare, bringing the nation's leading medical experts to our residency and fellowship programs.

#### **Notable Publications**

- *JAMA Internal Medicine*
- *Annals of Surgical Oncology*
- *CHEST Journal*
- *American Journal of Respiratory & Critical Care Medicine*
- *Obstetrics & Gynecology*

#### **Notable Presentations**

- American College of Cardiology
- Society of Critical Care Medicine
- American College of Physicians
- Society of Hospital Medicine
- American College of Surgeons

## **Influential Collaboration**

HCA Healthcare residents and fellows have access to talented, highly skilled teams of faculty, industry experts and dedicated researchers to guide them through their journey. Residents and fellows produce evidence that drives future practice by leveraging HCA Healthcare's national clinical data warehouse – the heart of our data ecosystem.

**HCA Healthcare Scholarly Commons** is a platform to collect, share and publish the variety of academic work created by the Graduate Medical Education community. During 2020, readership of those works eclipsed the 25,000 mark. Included on this platform is the **HCA Healthcare Journal of Medicine**, a peer reviewed scientific periodical focused on innovation, enhanced quality and developing new knowledge in clinical care and medical education for the benefit of all patients. In its first year of publication, the journal disseminated 86 articles in six issues as well as a seventh special issue on the COVID-19 pandemic.

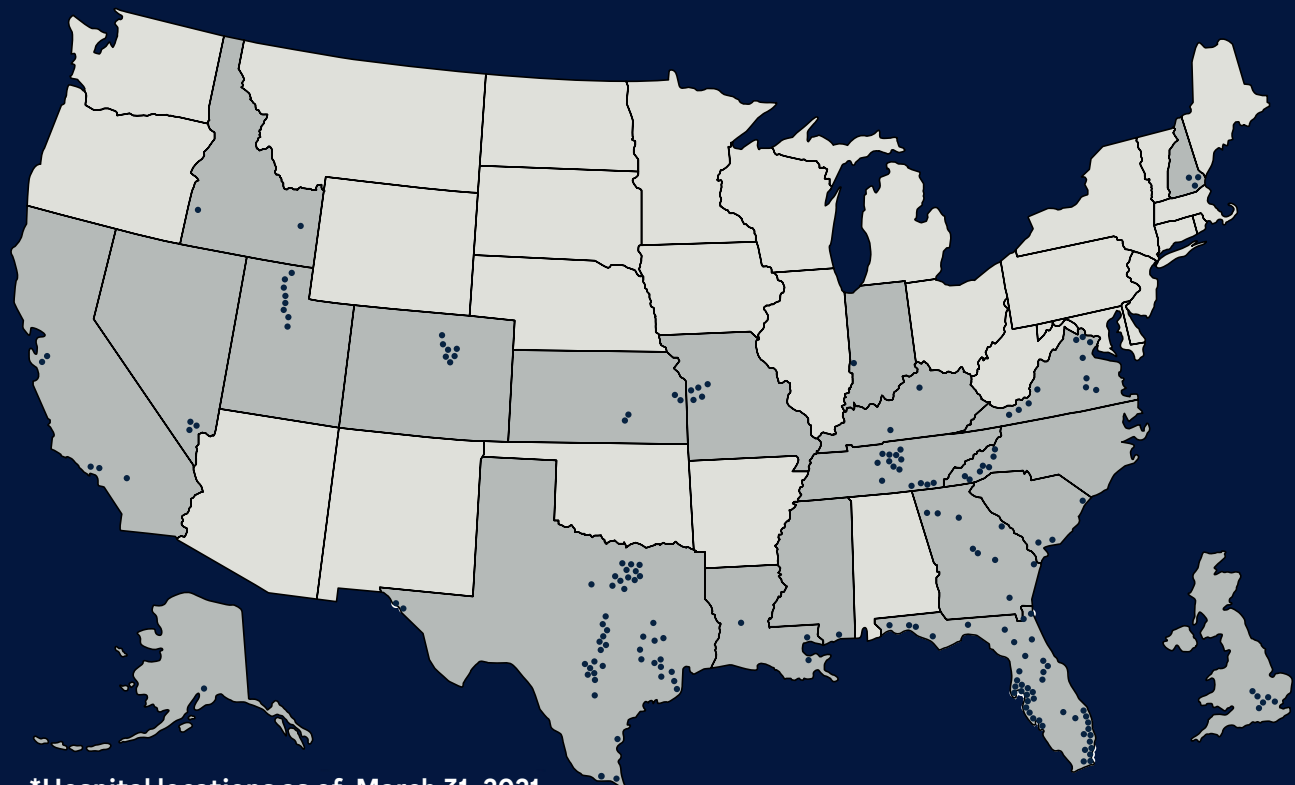

# About HCA Healthcare

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.

**186** hospitals and more than **2,000** sites of care  
located in **20** states and the United Kingdom

\*Hospital locations as of March 31, 2021

HCA Healthcare is one of the nation's leading providers of healthcare services and is comprised of 186 hospitals and more than 2,000 sites of care including surgery centers, freestanding ERs, urgent care centers, diagnostic and imaging centers, walk-in clinics and physician clinics in 20 states and the United Kingdom. With its founding in 1968, Nashville-based HCA Healthcare created a new model for hospital care in the United States.

## Size

**275,000**  
colleagues

**93,000+**  
registered nurses

**47,000<sup>^</sup>**  
active and affiliated physicians

## Patient Care

HCA Healthcare's U.S. hospitals provide approximately 5% of all inpatient hospital services in the country.

In 2020:

**32+ million**  
patient encounters

**7.4 million**  
emergency room visits

**215,000**  
babies delivered

View the **HCA Healthcare Community Impact Report** to learn more about our award-winning programs, technology advances and partnerships with community organizations to fulfill our commitment to the care and improvement of human life.

## Giving Back

**\$3.4+ billion**  
estimated 2020 cost for the delivery of charity care, uninsured discounts and other uncompensated care

**\$45 million**  
in charitable cash contributions provided across the enterprise in 2020

We are committed to expanding our relationships with our communities by investing **\$10 million** over the next three years in Historically Black Colleges and Universities (HBCUs) and Hispanic-Serving Institutions (HSIs) across our footprint.\*

\*Starting in 2021

## Industry Leader

Sarah Cannon, the Cancer Institute of HCA Healthcare, provides **state-of-the-art cancer care** close to home for hundreds of thousands of patients, a number unmatched by any single cancer center.

HCA Healthcare affiliates deliver healthcare services in **more than 150 languages and dialects**.

HCA Healthcare has treated more COVID-19 inpatients than any other health system in the U.S.
