Caring For Your Family As Though They Were Ours

## What To Expect When You're Expecting With Us

See what our women's services are all about! We are here to provide you and your loved ones with a high quality, family-centered atmosphere.

**HAVING A BABY** is often an exciting time in your life and perhaps a bit confusing if it's your first time. A very important part of your planning is to decide where your baby will be born. Please allow us to help you choose the hospital voted "Best of Las Vegas" for this special time for you and your family.

At Southern Hills Hospital, we ensure that you have the amenities, care and expertise for you and your baby. Our compassionate, caring staff goes beyond the unit staff; we work together interdepartmentally to exceed patient experience expectations by providing a celebration cake and special gift for your family to welcome your little one into the world!

### You're Invited to See for Yourself

- We offer regularly scheduled childbirthing classes and unit tours. Additionally, we offer tours by appointment to fit your busy schedule by calling **702.916.7070**.
- Prepared Childbirth Classes: We recommend for your comfort completing your classes by your eighth month (32 weeks) of pregnancy. Join us for only \$45 per couple.
- Breastfeeding 101: Learn about breastfeeding, early attachment, problem solving and breastfeeding in public. Classes are \$15.
- Breastfeeding Support Group: **Free**, weekly and open to all mothers and babies.
- Hospital Tours: Free tours are offered by appointment or during childbirth classes.
- Pre-register for the birth of your baby online at <http://southernhillshospital.com/patients/registration-information.dot> or by stopping by the Admitting Department (located on the first floor of the hospital). For registration questions, please call **702.916.9060**.

To register for a class or upcoming tour, call **702.916.5023** or visit [SouthernHillsHospital.com](http://SouthernHillsHospital.com) for an up-to-date calendar listing and a virtual tour of the unit.
