Create a MyHealthOne account

1

Visit southernhillshospital.com/MyHealthOne
and click "Start managing your health today."

2

Pick a username, password, and enter
your email address.

3

Have your Social Security number (SSN) available
if you'd like to link your health records today.

If you don't have your SSN, or have questions
about MyHealthOne, call (855) 422-6625.
